

FEANTSA

Presentation

Street support and public nuisance
Kick-off meeting
Amsterdam, 6 - 7 October 2016

FEANTSA

About us and our mission

- **Fédération européenne des associations nationales travaillant avec les sans-abri**
- Only European NGO focusing exclusively on the fight against homelessness
- Over 130 member organizations from 30 countries, including 28 Member States (mostly national and regional federations)
- Bringing together non-profit services that support homeless people in Europe

Method of working

FEANTSA works towards ending homelessness by:

- Engaging in **constant dialogue** with European **institutions** and **governments** → development & implementation of measures to fight homelessness
- Conducting and disseminating **research**
- Promoting and facilitating **exchange** of **information, experience, and good practice**
- Challenging stereotypes and **raising** public **awareness** about the complexity of homelessness
