

European Multiplier Event

- Place: Brussels/ any partner country
- March-August 2019
- ideally 1 full day , minimum half day
- Budget 8.500 EUR: Minimum 35 international participants and 15 national (not from own organization)
- Partners have budget to travel as ME happens together w final project meeting
- Target groups:
 - social service providers, adult trainers, policy makers, higher educational institutions,
 - representatives of final target group – confirm: people in situation of homelessness & drug/alcohol misuse issue eg EuroNPUD/INPUD
 - European network and umbrella organizations >> dissemination list we did at project start (EMCDDA, European Public Health Alliance, DG Santé (Lux), Eurocare, Europ Harm Reduction Network, Eurocities...)
 - Brussels/Belgian social sector ?

Aim

Main aim is dissemination of project, results and outcomes

- boost and stimulate inclusive adult learning and working opportunities for alcohol- and drug users and reduce at the same time alcohol- and drug related nuisance in the public space
- disseminate the overall project activities
- disseminate the content of the toolbox incl GP collection
- disseminate the activities, results and impact of local pilot interventions
- discuss the impact of inclusive adult learning strategies on the (perceived) nuisance on the street
- launch the online Resource Centre

Suggestions

half-day WORKSHOP, invite/together with FEANTSA health cluster
